SCHOLARSHIP REQUEST FORM – September 2022 intake

Undergraduate programmes

GRANDE ECOLE PROGRAMME, BACHELOR IN INTERNATIONAL MANAGEMENT

ESSCA's goal is to recognize and recruit the most talented individuals wherever they may be, regardless of their background or financial situation. We acknowledge that the choice to study abroad is not only an academic decision, but also a financial one. Unlike some other business schools, where international students pay a much higher tuition than domestic students, there is no difference between tuition for French and international students at ESSCA. Indeed, we believe that personal and financial concerns should not prevent motivated candidates from pursuing a top-ranked programme.

These scholarships are limited in number and are granted under several criteria matching ESSCA's mission and values (diversity, background, academic excellence, etc.). Only **admitted candidates** can apply for our scholarships. To apply for these scholarships please complete this document and forward it to scholarships@essca.fr
